Sprint 4 plan

Product name: Seekr

Revision 7, Nov 26, 2024

Team Members: Alec, Lisa, Taya, Ryan, Aidan, Zander

Team name: Seekr Team

Objective: Create an intuitive map experience with an emphasis on exploration and connecting with one's community to better understand the area they find themselves in

Total Duration: 10 Weeks

Sprint Length: 2 Weeks

Total Sprints: 4 Sprints

Sprint 4 - New tasks	Story Points
1. {3} As a user, I want to be able to control the amount of navigational information I receive. [3]	3
2. {2} As a traveler, I want to be notified when I am near an interesting landmark. [5]	5
3. {3} As a traveler, I want to know of nearby bathrooms and cafes so that I can meet my bodily needs. [3].	3
4. {2} As a student, I want to be able to invite my friends to use the app so that I can build a community. [1]	1

Carry over from Sprint 3 - Same tasks remain	Story Points

1. As an explorer, I want access to navigational tools that help me figure out how I'll reach my destination	8
2. As a traveler in an unfamiliar area, I want to be notified when I am going the wrong direction.	7
3. As a community member, I want to be able to mark interesting paths and landmarks so that the app properly reflects my area.	5
4. As a moderator, I want to be able to promote or report markings on the map so that all information is as accurate as possible.	6
5. As a user, I want to be able to view/connect with other users	6

User Stories:

User Story 1: As a user, I want to be able to control the amount of navigational information I receive

- Task 1: Design overlay to cover everything except route ------------ 1 hour
- Task 2: Add a toggle button for the overlay to the side menu —-------1 hour

Total for User Story: 2 hours

User Story 2: As a traveler, I want to be notified when I am near an interesting landmark.

- Task 1: Create existing landmark database ------------------- 2 hours
- Task 2: Create a notification for reaching a landmark —--------- 2 hours

Total for User Story: 4 hours

User Story 3: As a traveler, I want to know of nearby bathrooms and cafes so that I can meet my bodily needs

- Task 1: Integrate existing bathrooms and cafes into pins menu —-----2 hours
- Task 2: Allow users to add those as pins —-----------------------2 hours

Total for User Story: 4 hours

User Story 4: As a user, I want to be able to invite my friends to use the app so that I can build a community.

- Task 1: Make a button to invite your friends (Copy paste message with app store link) - 1 hour

Total for User Story: 1 hours

Additional Task: Decide on tagline!!!
